

BASIC PERFORATIONS, EMBOSSING PATTERNS AND SHAPCUT DESIGNS

AVG METAL offers a wide range of perforations, embossed patterns, and **SHAPCUT** cutouts in metal materials, which can also be designed and manufactured in custom designs. We combine technical precision with design creativity for both exterior and interior applications. Each pattern and dimension is tailored to the specific project, resulting in architectural solutions that are both aesthetic and functional.

BASIC PERFORATIONS

1 / 2

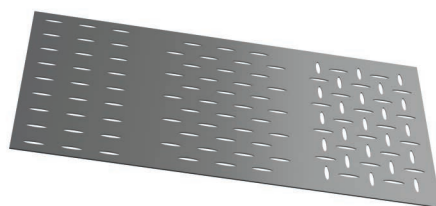

AVG ROUND PERFORATION

Arrangement Straight, Staggered, Custom, Image

Diameter Ø (mm)

Standard 2, 4, 5, 6, 8, 10, 12, 15, 18, 20, 25, 28, 30, 35, 40, 45, 50, 60, 80

Custom On request | ≤ 200

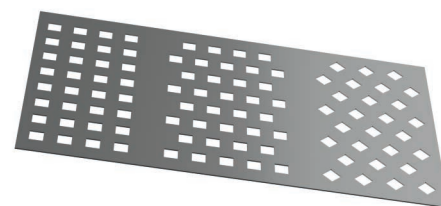

AVG SLOT PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (Width × Length) (mm)

Standard 6×24

Custom On request

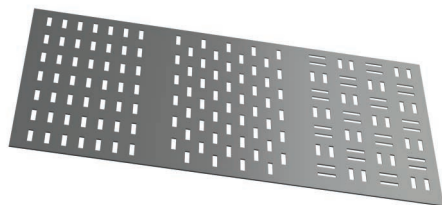

AVG SQUARE PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (mm)

Standard 5×5 | 6×6 | 8×8 | 10×10 | 15×15 | 18×18 | 20×20 | 25×25 | 30×30 | 40×40 | 50×50

Custom On request | ≤ 300×300

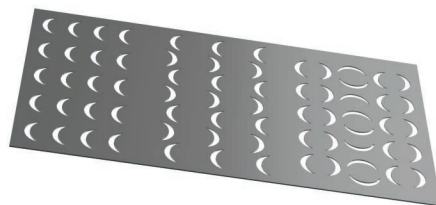

AVG RECTANGULAR PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (Width × Length) (mm)

Standard 10×20 | 20×30 | 30×60 | 40×80 | 50×120

Custom On request | ≤ 200×500

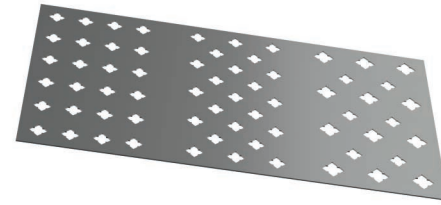

AVG MOON PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (Width × Length) (mm)

Standard 13×85

Custom On request | 100×300

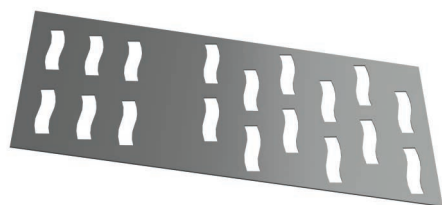

AVG CROSS PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (mm)

Standard 20×20 | 25×25 | 30×30

Custom On request

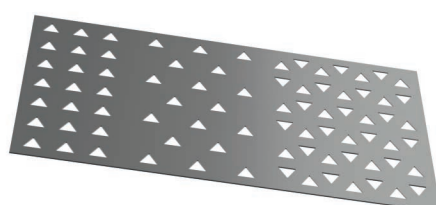

AVG WAVE PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (Width × Length) (mm)

Standard 15×85

Custom On request

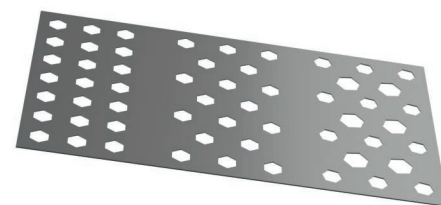

AVG TRIANGLE PERFORATION

Arrangement Straight, Staggered, Custom, Image

Dimension (mm)

Standard 20×20×20 | 30×30×30 | 59×59×59 | 70×70×70 | 80×80×80 | 100×100×100

Custom On request

AVG HEXAGONAL PERFORATION

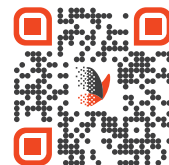

Arrangement Straight, Staggered, Custom, Image

Diameter Ø (mm)

Standard 40, 45, 50, 60, 70, 80, 90, 100

Custom On request | ≤ 200

These data are for informational purposes only. The dimensions and diameters of perforations, embossed patterns, **SHAPCUT** die-cuts, and their placement (position and spacing) in products must be consulted with the manufacturer. All perforations, embossed patterns, and **SHAPCUT** die-cuts can be combined with each other by agreement to create various patterns or graphic motifs.

AVG METAL offers a wide range of perforations, embossed patterns, and **SHAPCUT** cutouts in metal materials, which can also be designed and manufactured in custom designs. We combine technical precision with design creativity for both exterior and interior applications. Each pattern and dimension is tailored to the specific project, resulting in architectural solutions that are both aesthetic and functional.

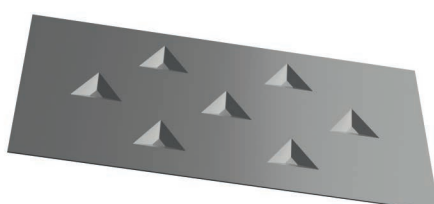

EMBOSSED PATTERNS & SHAPCUT DESIGNS

2 / 2

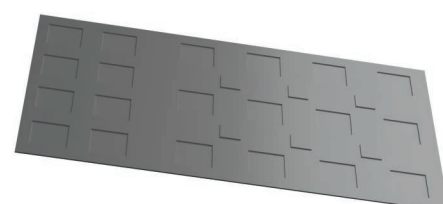

AVG BUBBLE EMBOSSING

Arrangement	Straight, Staggered, Custom, Image
Diameter Ø (mm)	
Standard	25, 50, 70
Custom	On request ≤ 80
Depth (mm)	3–6 (depending on material thickness)
Orientation	Positive / Negative

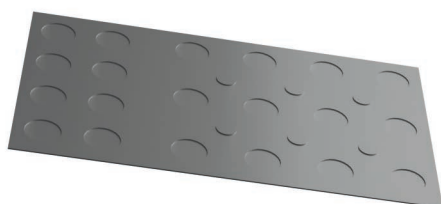

AVG TRIANGLE EMBOSSING

Arrangement	Straight, Staggered, Custom, Image
Dimension (mm)	
Standard	59×59×59
Depth (mm)	3–6 (depending on material thickness)
Orientation	Positive / Negative

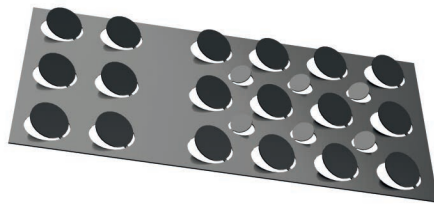

AVG SQUARE EMBOSSING

Arrangement	Straight, Staggered, Custom, Image
Dimension (mm)	
Standard	20×20 40×40
Custom	On request ≤ 80×80
Depth (mm)	0,5–2,5 (depending on material thickness)
Orientation	Positive / Negative

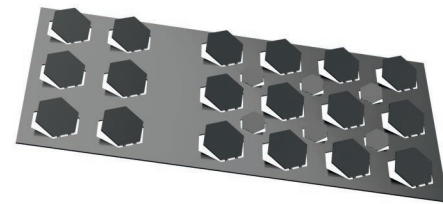

AVG CIRCULAR EMBOSSING

Arrangement	Straight, Staggered, Custom, Image
Diameter Ø (mm)	
Standard	20, 40
Custom	On request ≤ 80
Depth (mm)	0,5–2,5 (depending on material thickness)
Orientation	Positive / Negative

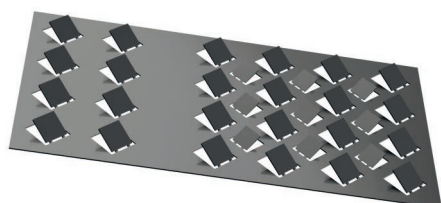

AVG CIRCULAR SHAPCUT

Arrangement	Straight, Staggered, Custom, Image
Diameter Ø (mm)	
Standard	30, 40, 50, 60, 70, 80, 90, 100
Custom	On request ≤ 200
Depth (mm)	10–40 (depending on material thickness)
Orientation	Positive

AVG HEXAGON SHAPCUT

Arrangement	Straight, Staggered, Custom, Image
Diameter Ø (mm)	
Standard	30, 40, 50, 60, 70, 80, 90, 100
Custom	On request ≤ 200
Depth (mm)	10–40 (depending on material thickness)
Orientation	Positive

AVG SQUARE SHAPCUT

Arrangement	Straight, Staggered, Custom, Image
Dimension (mm)	
Standard	30×30 40×40 50×50 60×60 70×70 80×80 100×100
Custom	On request ≤ 200×200
Depth (mm)	10–40 (depending on material thickness)
Orientation	Positive

AVG CIRCULAR INDIVIDUAL SHAPCUT

Arrangement	Straight, Staggered, Custom, Image
Diameter Ø (mm)	
Standard	40, 50, 60, 70, 80, 90, 100
Custom	On request ≤ 200
Depth (mm)	10–40 (depending on material thickness)
Orientation	Positive

AVG HEXAGON INDIVIDUAL SHAPCUT

Arrangement	Straight, Staggered, Custom, Image
Diameter Ø (mm)	
Standard	40, 50, 60, 70, 80, 90, 100
Custom	On request ≤ 200
Depth (mm)	10–40 (depending on material thickness)
Orientation	Positive
